SPECIALIZING IN QUALITY HARDWOOD OFFICE AND FINE HOME FURNITURE

CRAFTING TIMELESS QUALITY

At Oakwood Designs, craftsmanship and quality have been at the heart of our work since we began manufacturing furniture. With a passion for creating pieces that stand the test of time, we took the leap in 2018 to launch our own business, introducing the Midtown collection. This debut line showcased a diverse range of furniture, offering something special for every home.

Today, as a family-operated business located in the picturesque Southern Lebanon County, PA, we specialize in crafting high-quality hardwood office and fine home furniture that combines timeless design with durability. Our commitment to excellence extends beyond our products to provide an easy and enjoyable shopping experience. From the moment you browse our collection to the day your furniture arrives, our team is dedicated to ensuring your satisfaction with superior customer service and attention to detail.

At Oakwood Designs, we believe that every piece of furniture is more than just an addition to your home—it's an investment in comfort, style, and quality. We're here to help you create a space you'll love for years to come.
